

# First Southern Baptist Church of Avondale

*Prayer Requests, June 20, 2018*

These prayer requests are distributed at our Wednesday evening events, on the following Sunday morning, and over the internet. We believe strongly in prayer!

## Prayer Thoughts 2 Big Teaching Tasks

We're not really 100% sure what is the best time and place to teach two important issues. These are issues that need to be

taught—and soon. The need is huge, but, unfortunately, most people are getting their information from sources other than the Bible. These needs are **marriage and parenting**.

Sunday worship time is appropriate and reaches the largest number of people, but time is limited and there is no way for questions, discussion, and deeper study that would be important. Sunday evening classes would work—except most young families don't attend during that time. Some churches host half-day or full-day conferences, but these are hard for families with children to commit to attending. And weekday nights are usually already filled for families.

So pray for two things: (1) That we would find a time to teach these things to the largest number of people. And (2) that the teaching would be Biblical, interesting, informative, and life-changing!

And, if possible, I'd like to offer class "graduates" a mentorship with an older couple to help them and meet with them occasionally after the class is completed!
